E: LytleRAR@gwtc.net | **W:** www.LytleRedAngus.com | **f** Lytle Red Angus Ranch

Family owned and operated, the Lytle Ranch has grown not just in size but in productivity. We place a high importance on producing the best cattle, hay, and people that we can. Using past knowledge and current technology we are constantly learning and adapting to create the best Ranch experience for both our family and our consumers. Take a look at what we have to offer, you won't be disappointed.

All bulls are coming 2-year-olds.
 All bulls are forage developed.
 All bulls will pass a semen test.
 All bulls have tested OSF.

This bull is out of Angela's favorite cow. As a calf she was bred during the Atlas blizzard. Calved late June and still bred back before bulls were pulled in August. She has raised a calf every year. She is an extremely thick cow and has a great disposition. I don't think you could go wrong with this bull.
