

LYTLE

Red Angus Ranch

2021 PRIVATE TREATY

LYTLE RED ANGUS

Rusty Lytle: C-605.685.8419 • H-605.279.2648 | **Angela Lytle:** C-605.381.4630
E: LytleRAR@gwtc.net | **W:** www.LytleRedAngus.com | **f** Lytle Red Angus Ranch

The Lytle Red Angus Ranch requires all cows to produce a profit every year. This means that we place an emphasis on reproductivity and do not keep cows or yearling heifers that test open after a 45 day breeding window. As a result our herd is extremely efficient - as cows that are unable to keep their condition to breed back while raising a calf on pasture are removed from our program. Additionally, any cows that need assistance calving are removed - we want our cows to work for us, not us for them - leading to a herd that calves easily with minimal intervention.

All bulls are coming 2-years old.
All bulls are forage developed.
All bulls have tested OSF.
All bulls will pass a semen test.
All bulls will be Trich tested.

LET THE BEST OF OUR HERD COME TO YOURS!

Bulls are available for viewing at
22801 Jensen Road, Wall, SD.
