

LYTLE

Red Angus Ranch

BEST LAST CHANCE SALE

April 28 - May 2, 2025 | Online only at DV Auction

Closing begins at 7:00pm MST

LYTLE RED ANGUS

Rusty Lytle: C-605.685.8419 | **Zeb Lytle:** C-605.441.7658 – call, text, or leave a message

Website: www.LytleRedAngus.com | **Facebook:** Lytle Red Angus Ranch

We are excited to present our first online only yearling bull auction! It has been quite some time since we last participated in an auction and are looking forward to the experience. You may notice another prefix in this year's catalog – the bulls with the LZEL prefix are from our son Zeb's registered herd. They are managed alongside the LRAR herd and in the same manner.

We still demand that our cows work for us and keep to a strict breeding schedule (30 days on yearlings and 45 days on cows). Our cows performed well despite dry summer and required very little supplemental hay this winter. We were able to graze until early February! Our past customers continue to tell us they appreciate the hardy, easy keeping nature of our bulls – we are grateful that we can continue to provide such a reliable product.

Remember, this is your **BEST LAST CHANCE** before the 2025 breeding season to add vigor, efficiency, fertility, and long-term productivity to your herd!

LET THE BEST OF OUR HERD COME TO YOURS!

Bulls are available for viewing at

22781 Crooked Creek Road, Wall, SD

(Please call to set up an appointment.)

Sale day info

Herd Veterinarian:

Jim McConaghy, DVM
Badlands Veterinary Service
605-279-2077
badlandsvet@hotmail.com

DV Auction:

DV Auction is hosting the online only sale. The sale will begin closing May 2, 2025 at 7:00pm MST. All lots for this event will close at the same time. If a bid on any lot is placed within 5 minutes of the closing time, closing time for the sale (and all lots) will be extended to 5 minutes after that bid. This continues until no bids are placed for 5 minutes.

DV Auction Contact: Justin Dikoff – 605-290-0635

Bull Health:

Bulls received full calfhood vaccinations; 7-Way with Somnus, Pyramid 5, and Inforce 3. They will receive a breeding shot at their breeding soundness exam. Bulls were poured with ivermectin and CleanUp II. Bulls have tested free of: bovine viral diarrhea (BVD), osteopetrosis (OS), and alpha-mannosidosis (MA).

Supplemental Sale Information:

Supplemental information will be updated as we are able. Find it on our website, lytlredangus.com, or our DV Auction sale page.

Delivery:

Free delivery is available within 300 miles of Wall, SD. We will work to consolidate loads and may ask that buyers meet us at centralized locations.

DNA and EPDs:

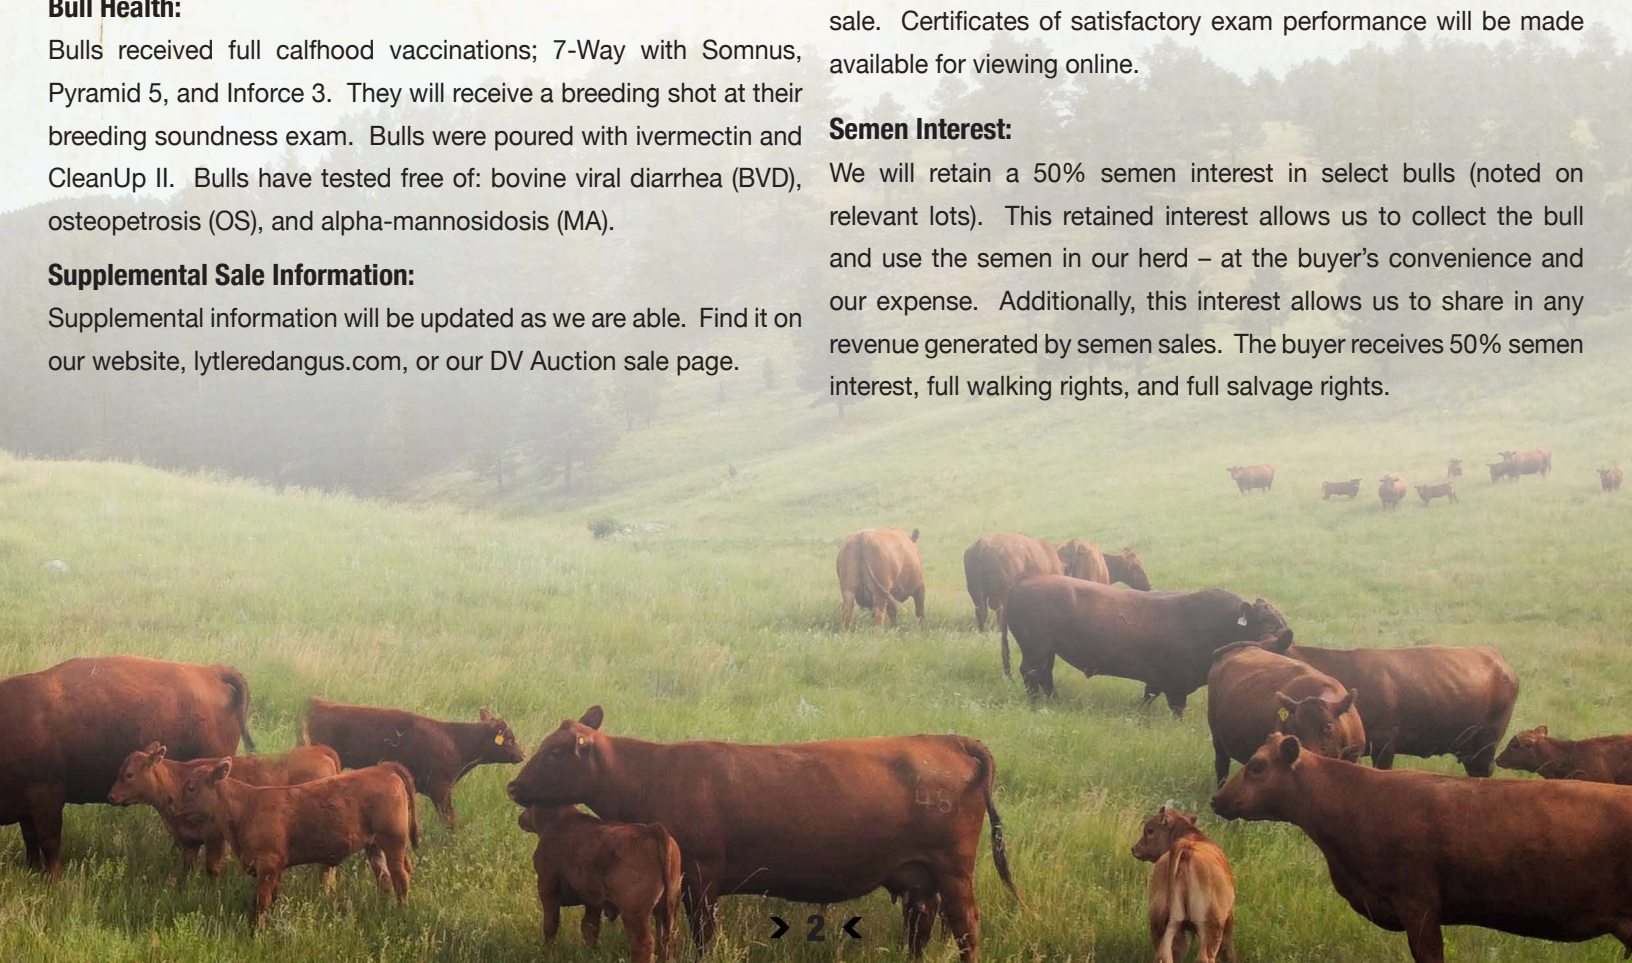

The Red Angus Association of America updates EPDs on a weekly basis. The most current EPDs for these bulls will be available on Tuesday, April 29 – the Tuesday of sale week. Bulls have DNA verified parentage and all EPDs are enhanced via the GGP-LD test.

Breeding Soundness Exam:

Bulls will be evaluated for breeding soundness prior to the sale by Badlands Veterinary Service. All bulls with unsatisfactory performance or those unable to test will be removed from the sale. Certificates of satisfactory exam performance will be made available for viewing online.

Semen Interest:

We will retain a 50% semen interest in select bulls (noted on relevant lots). This retained interest allows us to collect the bull and use the semen in our herd – at the buyer's convenience and our expense. Additionally, this interest allows us to share in any revenue generated by semen sales. The buyer receives 50% semen interest, full walking rights, and full salvage rights.
